

NETTLETON PARISH COUNCIL

SNOW AND GRITTING ARRANGEMENTS FOR 21/22

NPC HAVE PREPARED A SNOW RESPONSE PLAN WHICH HAS BEEN APPROVED BY WC. **THIS WILL BE ACTIVATED BY THE EMERGENCY SNOW COMMITTEE (ESC) ONCE THE WC EMERGENCY WEATHER TEAM ISSUE A SNOW WARNING**

THE ARRANGEMENTS FOR SNOW CLEARANCE AND GRITTING ARE SUMMARISED BELOW

SNOW CLEARING

- A local farmer has kindly agreed to clear roads and is entered into a contract with WC who will bear all the cost of providing the tractor mounted snow plough, wages etc.
- Attached plan shows the roads that will be cleared in blue once the Snow Response Plan is activated
- *Please note that Drifton Hill to west of West Kington is prone to drifting and quickly becomes impassable. Furthermore, South Gloucestershire Council do not keep the Tormarton/Marshfield Road clear or grit. Therefore, it is important that NPC maintain a clear access to the B4039, which WC do keep clear, through the parish at all times*

MEDICAL EMERGENCIES

It could arise that an ambulance can't gain access to one of the villages and a resident need to go to hospital/doctor's surgery/dentist etc urgently, or people like carers need to get into the villages.

The following residents have kindly agreed to be on hand to offer transport in 4-wheel drive vehicles and to having their contact details published:

Nettleton - Bob Prior - 07974948861/Darren Lutton 07747803228

W Kington - Eddie Ackerman 07723076274/Kevin Phillips 07768 644013
